TRIAL IN PROGRESS

Alleged "Black Hand" Assassin Before Tribunal—Greek Interpreters Here

Messrs. James A. Coston and George Zervos, two Greek gentlemen, arrived yesterday from Cincinnati to act in the capacity of interpreters and translators for the Court in the trial of the Bulgarian whose case is set for today in the Circuit Court, charged with shooting with intent to kill Thomas James.

Both speak English fluently, as well as several other languages, and are representative members of the Greek Church in Cincinnati, and are men of standing and means. The way to which they belong looks out after interests of their countrymen who are in need, and if worthy, extends aid where needed.

In conversation yesterday Mr. Zervos said: "The letter which was found on the prisoner states that he belongs to the Black Hand society, which without doubt he does, but he does not confess it on account of the oath he taken from the Society. We are here for purpose of making translations for the Court and assist in prosecuting the defendant as much as possible, who is not a Greek as he is called, but a Bulgarian, which is an uncivilized 'ry'."

Coston is the proprietor of two stores in Cincinnati, one in Hamilton, O., and one in Covington, Mo. Mr. Zervos conducts two stores in Cincinnati and one on Central avenue, Cincinnati.

Suits of Distinction

We are not a little proud of the praise we're getting in the suit department nowadays. Women are saying all sorts of flattering things about our spring line. A dozen times a day we hear some clerk say: "She took the very first suit she tried on." We like that. It's easy for us and easy for you. Our part is carefully planned. We give you "Wooltex" garments—a make that insures distinction in dress. These are the clothes that are different that have all the season's style points with that added touch of individuality that appeals to discriminating women.

Prices Are \$12½ to \$40.

SECRETARY TAFT is the man on the lid, but FORAKER seems to be the man in the box.

WHAT shall we do with our ex-Presidents? Nothing, judging by the only one in captivity—the Hon. STEPHEN GROVER CLEVELAND. Ex-Presidents are hopeless cases and are harder to manage than half-a-dozen Presidents in the White House.

SENATOR FORAKER is waiting for Judge TAFT with a stuffed club and unless Mr. TAFT dodges the issue there is going to be one of the hottest fights ever seen in the state. The Senator seems bent on puncturing the Taft Presidential boom. However, it may all end yet in a compromise, as BENNY is only fighting to retain his seat in the Senate.

LOUISVILLE again sustains her reputation as a crime center. A few days ago the following consignment of prisoners to the Frankfort Penitentiary was made, and it wasn't a very good day for railroading convicts either:

William Joseph, for life.
Harry Brown, 21 years.
Zerella Smith, 5 years.
Ernest Thurman, 15 years.
Thomas Berry, 15 years.
Joe Russell, 5 years.
Herman Price, 12 years.
Sid Leonard, 15 years.
Henry Vaughn, 5 years.
John Smith, 5 years.

A monthly output like this would soon entitle the Falls City to a Penitentiary of her own.

JUDGE JEEMS HARGIS testifies for BILL BRITTON and BILL BRITTON testifies for Judge JEEMS HARGIS. This reciprocity between two such villains is truly touching and beats DAMON and PYTHIAS more'n a block.

In 1896, when "BILLY BRYAN" was setting the world on fire with his free silver policy and his silver (plated) tongued oratory, he declared that the United States was on route to the dem-nition bow-wows because there was not enough gold money in circulation to meet the requirements of business. What happened to BILLY since, is familiar history to all. It is also of record that during the past ten years, more than a billion dollar's in standard gold coin has been added to the world's money medium. In other words, Mr. BRYAN has been utterly overwhelmed by such a shower of the yellow metal and "cross of gold", without a parallel in all history. Mr. BRYAN, himself, has reaped a harvest of \$25,000 a year since his memorable campaign of '96, and today he is numbered among the Easy street nabobs of the Democratic party, and the flood of gold continues. What has Mr. BRYAN to say about the following little newslet?

"One hundred and fifty millions of dollars worth of new gold has been added to the world's supply of available currency since last October."

Why has Kentucky such beautiful women? Jowl and greens. The sweet womanhood of Kentucky starts in well with every spring. They eat greens and then make ready for house cleaning. Thus Kentucky moves from jowl and greens to beauty, cleanliness and glory.

WORKING WOMEN, WHAT THEY SHOULD KNOW

MRS. SADIE ABBOTT

MRS. PREE MCKITRICK

Women for the most part spend their lives at home, and it is these women who are willing and ambitious that their homes shall be kept neat and pretty, their children well dressed and tidy, who do their own cooking, sweeping, dusting and often washing, ironing and sewing for the entire family, who call for our sympathy.

Truly the work of such a woman is "never done" and is it any wonder that she breaks down at the end of a few years, the back begins to ache, there is a displacement, inflammation or ulceration of the abdominal organs, a female weakness is brought on, and the struggle of that wife and mother to continue her duties is pitiful.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, is the exact medicine a woman needs whose strength is overtaxed. It keeps the feminine organs in a strong and healthy condition. In preparing for childbirth and recuperating therefrom it is most efficient. It carries a woman safely through the change of life and in making her strong and well assists her to be a good wife and mother.

Mrs. Sadie Abbott, of Jeannette, Pa., writes: Dear Mrs. Pinkham— "I suffered severely with pain every month and also a pain in my left side. My doctor prescribed for me but did me no good; a friend advised Lydia E. Pinkham's Vegetable Compound and I wrote you in regard to my condition. I followed your advice and am a perfectly well woman. The pains have all disappeared and I cannot recommend your medicine too highly."

Mrs. Pree McKitrick, of La Farge, Wis., writes:

Dear Mrs. Pinkham: "For six years I suffered from 'ten weakness. I was so irregular that I went from three weeks to six months, I thought I would give Lydia E. Pinkham's Vegetable Compound a trial. Now I am once more well and can do work without a pain. Any one who will write to me and I will answer all let gladly."

Women should remember that Lydia E. Pinkham's Vegetable Compound holds the record for the great number of actual cures of female illness. Every suffering woman in the United States is asked to accept it following invitation. It is free, will bring you health and may save your life.

Mrs. Pinkham's Invitation to Women

Women suffering from any female weakness are invited promptly communicate with Pinkham, at Lynn, Mass. If symptoms given, the trouble located and the quickest way of recovery advised. A vast volume of experience female ills Mrs. Pinkham has the very knowledge to help your case. He and always helpful.

LOCAL OPTION COMMITTEE,
Maysville, Ky.

Mrs. Frances Beauchamp will speak at the Baptist Church tonight against whisky. Mrs. Beauchamp made the strongest and best address last night that it has been the writer's sorrow to hear, for it is so sad to learn how whisky is destroying our fair women, strong men and exposed-to-be free country. Seats will be reserved for the men of the Sixth Ward, who will kindly come in a body.

WET OR DRY?

Courts to Decide Local Option Election at Owensboro

In spite of the majority of 442 against prohibition in the city of Owensboro, there is a question in some quarters as to whether Owensboro went "wet" or "dry" in Saturday's local option election.

It is stated by some that the Prohibition people will make an attempt to have the Court hold that the licensing of saloons in Owensboro is prohibited by the result of the election in the county as a whole.

The county as a whole went "dry" by over 1,500 votes. The contention will be based primarily on a single sentence of the County Unit Law, or, generally speaking, on the rather ambiguous nature of this amendatory act of the Legislature of 1906—"when an election is held in an entire county and a majority of the legal votes cast at said election are against the sale of intoxicating liquors, then it shall not be lawful to sell, barter or loan such liquors in any portion of the county."

This is the portion of the law on which the Prohibitionists will principally rest their case.

New School Building!

Owing to the fact of the School Board's having bought the old Perkhous (our warehouse) for the site for the new High School Building, we are obliged to move all our vehicles within the next 60 days; and we have figured that it would be better to sell them than to move, a storeroom in Maysville is pretty scarce just now, and besides it is very expensive to move four or five carloads of crated vehicles.

Therefore!

We are beginning today the most phenomenal sale of vehicles ever held in Maysville, and a word to the wise should be sufficient. "If you are contemplating the purchase of a rig of any kind, now is your opportunity."

TWICE-TOLD TESTIMONY.

Maysville People Are Doing All They Can for Fellow Sufferers.

Mayeville testimony has been published to prove the merit of Doan's Kidney Pills to cure in Mayeville who suffer from bad backs and neuritis. Let anyone suffer doubt that the cures made by Doan's Kidney Pills are thorough and lasting, we produce confirmed proof—statements from Mayeville people saying the cures they told of years ago were permanent. Here's a Mayeville case:

Henry Bertram, shoemaker, of 27 East street, Maysville, Ky., says:

"I helieve everybody in Mayeville has read the papers the testimony I gave in March, about Doan's Kidney Pills for I have heard again and again by residents of this town the statement were true. For the benefit of some who may now be suffering from kidney trouble I repeat my testimony. Ever since I got Doan's Kidney Pills I had enffered for time with hachacks and a tired feeling and achin' in and about the kidneys. Ever since shoemaker, I thought my trouble was caused by my work for every time I took cold it came in my back. Doan's Kidney Pills quickly cured of the trouble and never, from that time, have I had any cause to complain of back or kidneys. Doan's Kidney Pills perfectly what they promise, and I will say in my opinion there is no remedy for kidney troubles equal to Doan's Kidney Pills."
